12. RULE 6-7: PACE OF PLAY

12.1 Ready Golf

“Ready Golf” Philosophy is adopted.

No “Honour” – the first player ready plays.

A player should play when he is ready to play.

Players have to act sensibly to ensure that playing out of turn does not endanger other players.

Examples of “ready golf” in action include:

- Hitting a shot when safe to do so if a player farther away faces a challenging shot and is taking time to assess their options
- Shorter hitters playing first from the tee or fairway if longer hitters have to wait
- Hitting a tee shot if the person with the honour is delayed in being ready to play
- Hitting a shot before helping someone to look for a lost ball
- Putting out even if it means standing close to someone else’s line
- Hitting a shot if a person who has just played from a greenside bunker is still farthest from the hole but is delayed due to raking the bunker
- When a player’s ball has gone over the back of a green, any player closer to the hole but chipping from the front of the green should play while the other player is having to walk to their ball and assess their shot
- Marking scores upon immediate arrival at the next tee, except that the first player to tee off marks their card immediately after teeing off

The attention of all competitors is drawn to Rule 6-7 regarding **Undue Delay**. In the interest of fair play the Committee has established Pace of Play Conditions and will not hesitate to impose the penalties provided by that Condition.

12.2 Time Allowed

Each hole has been given a maximum completion time based upon the length and difficulty of the hole. The time allotted for the completion of 18 holes is 4 hours 19 minutes.

12.3 **Definition of Out of Position:**

The first group and any group after a starter's gap will be considered to be "*out of position*" if at any time during the round, the group's cumulative time exceeds the time allowed for the number of holes completed. Any following group will be considered "*out of position*" if it is more than the starting time interval behind the group in front and has exceeded the time allowed for the number of the holes completed.

12.4 **Group Notification and Procedure When Group Is Out Of Position**

Groups **may** be notified when they are out of position and given an opportunity to regain their position. If a ruling or some other legitimate delay occurs which causes a group in question to lose its position, that group is expected to regain their position in a reasonable time within two holes of play.

If a group fails to regain its position, they will be notified and subject to being timed. If the decision is taken to time the group, each player in the group will be subject to individual timing by a Referee. Each player in the group will be advised that they are "*out of position*" and are being timed.

12.5 **Timing**

12.51 In the absence of mitigating circumstances, any group is liable to be timed if it is in excess of the time allowed and in the case of second or subsequent groups, out of position. From commencement of timing, if any player exceeds 50 seconds on a "first to play approach shot (including Par 3 tee shot), chip or putt", or 40 seconds if it is a "tee shot or second, third or fourth to play shot", he is deemed to have had a "bad time".

12.52 The timing will start when a player has reached his ball, it is his turn to play and he is able to play without interference or distraction.

12.53 On the putting green, timing will start when the player has had a reasonable amount of time to lift, clean and replace his ball, repair ball marks and move loose impediments on his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as time taken for the next stroke.

12.54 Timing ceases when a group is either back in position in relation to the preceding group or within the allocated time for the holes played.

12.55 In some circumstances, an individual player or more than one player within a group may be timed instead of the entire whole group.

12.56 A player whose group is timed, will have a bad time carried forward in the round, even if the group subsequently arrives back in position or within time.

12.6 **Pace Of Play Penalties**

1 bad time : Player will be warned by the Referee and told that if he has a further bad time he will be penalized.

2 bad times : Penalty of one stroke

3 bad times : Further penalty of two strokes

4 bad times : Disqualification

12.7 **Procedure When Again Out of Position During the Same Round**

If a group is "out of position" more than once during a round the above procedure will apply on each occasion. Bad times and the application of penalties in the same round will be carried forward until the round is completed. A player will not be penalized if he has a second bad time before being advised of his earlier bad time.

13. **SUSPENSION OF PLAY DUE TO A DANGEROUS SITUATION** (Note to Rule 6-8b)

The specimen Condition in the Rules of Golf is in effect – see page 158.

If they are in the process of playing a hole, they **must discontinue play immediately** and not resume play until the Committee has ordered a resumption of play. If a player fails to discontinue play immediately, he is **Disqualified**, unless circumstances warrant waiving the penalty as provided in Rule 33-7.

The signal for suspending and resuming play is as follows.

Discontinue Play Immediately : One prolonged note of siren.
