Greetings from Penang Golf Resort.

The modernized New Golf Rules takes effect from 1st January 2019.

In consideration of significant amount of rules that have changed, Penang Golf Resort will be organizing a Level 1 New Rules of Golf education program on **Saturday, 26th January 2019 from 8.30 am to 5.00 pm.**

2. This Level 1 Rules will be conducted by experienced MGA Rules instructors based on The R&A's teaching syllabus conducted in both English and Bahasa Malaysia.
3. The target participants for this Level 1 shall include golf clubs' administrative staffs, committee members, golfing members and golfers, junior players of age 14 to 18 and course marshals.
4. There will be an hour of open book test (player's edition of the Rules of Golf) which is optional. The book will be provided to all upon registration. While the open book test is optional it is an important part of the program and all participants are strongly encouraged to take it.

It is our hope that upon completion, all participants would be equipped with basic knowledge on the new Rules of Golf for their own game but also assist in educating others.
