About the Malaysian Golf Association

Founded in 1929, the Malaysian Golf Association (MGA) as the sole governing body of golf in Malaysia has been entrusted to promote the game while preserving its traditions and integrity.

It's a non-government organization that runs by volunteers who are passionate about the game with the help of a team of management staff.

The Association's portfolios have increased over the years ranging from conducting 14 state amateur opens, national amateur open, national amateur close, Malaysian Open to processing handicaps through its National Handicap System to promoting grassroot programs and training of the athletes to represent Malaysia in the international events.

MGA takes their responsibilities seriously in promoting the game in Malaysia while simultaneously upholding the Rules of Golf as prescribed by the Royal and Ancient Golf Club of St Andrews (R&A).

About Kota Permai Golf & Country Club

Kota Permai Golf & Country Club is an 18 holes golf course located within the greater Klang Valley. Since it was opened for play in March 1998, Kota Permai has won numerous awards for excellence, among them being Best Course, Best Course Maintenance and Best Greens.

Kota Permai's layout is unique, an adventure for the first-timer. Each time you leave a green, you are not sure of what to expect at the next teebox. You do not always see what is ahead of you until you get there. The course is generously built on 170 acres. Water comes into play on nine holes and all the waterways are interconnected, enhancing the layout with a nice, natural flow instead of the usual, stagnant ponds constructed merely to provide artificial hazards.

The Kota Permai clubhouse was a superb facility from day one but that did not stop the club from embarking on a massive RM13 million clubhouse expansion exercise in early 2005. Today, members enjoy two swimming pools including an Olympic-sized pool, floodlit tennis courts, squash courts, an eight-court-badminton hall, seminar facilities, ballroom, gymnasium and health centre.

In the Malay language, 'permai' means serene and this aptly describes the club. Kota Permai has come a long way in such a short time, achieved numerous awards and is the envy of many clubs in the region. But seeing is believing and as they say you will only know how good Kota Permai really is, after you have tasted it.
