QUESTION & ANSWER

I. How many days score can be entered by Member?

Members are allowed to enter the last 3 days score, however, the member can still submit physical score at the club if the score has not been entered over last 3 days.

2. What if the score wrongly entered by member or found invalid by the club?

The club has the authority to delete the score if the core found not valid or wrongly entered.

3. What if Marker don't response to their email after the score submitted by member?

The score will still be processed at 12AM when there is no response from Marker.

4. What will happen when Marker reject the score submitted by Member?

The score will not be processed and the member may need to re-submit the score at the club.

5. For members who already using MGA WHS 1.0, do they need to uninstall and reinstall?

No, MGA WHS 2.0 will be update automatically for members using MGA WHS 1.0. Unless member has previously disable auto update, the memebr has to update manually from Appstore or Playstore. update on their phone.

6. For this new version, are all members compulsory submitting their score by themselves in APP?

Despite the fact that we strongly advise all members to submit their scores independently, members who wish to submit their scores at the club will still be available as usual.

THANK YOU
